Dear Sir:

The above-identified patent application has been allowed. The issue fee was paid by First Class U.S. Mail on July 14, 2004. Although the drawings submitted at filing have been considered acceptable, Applicant has now noted that Figures 1 and 6 have handwritten portions. Applicant wishes to replace these with more formal drawings.

Submitted herewith for filing in the subject patent application are two (2) sheets of replacement drawings containing Figures 1 and 6 for the subject application. No substantive changes have been made. It is respectfully requested that these replacement formal drawings be accepted and replace the drawings of Figures 1 and 6 previously submitted. It is hoped this can be done before printing of the issued patent.

If the Examiner has any questions or believes that a telephone call to the undersigned would expedite handling of the drawings, he is respectfully requested to telephone the undersigned.

It is believed that no fees are due in connection with this response. However, the Office is authorized to charge any fees associated with this response to Deposit Account 04-1420.

Respectfully submitted,
